It's Not A Pandemic . . . but there is a virus visiting Academy students. It seems to be affecting the digestive system followed by a fever and for some then a respiratory infection. Remind your children to thoroughly wash their hands and make sure they are getting enough rest. We are disinfecting the Academy in hopes of stopping the spread!

A Spot Of Tea (said with a very British accent!) – The Jane Austen Tea is held annually for seventh and eighth grade girls all girls who have graduated from the Academy. These ladies have read at least two novels by Jane Austen usually *Sense and Sensibility*, *Persuasion*, or *Pride and Prejudice*. Ladies are treated to a formal afternoon tea followed by a movie version of the book that was read that year. I am still looking for a few helping hands for this year's Jane Austen Tea. If you are willing and able please let me know.

Hot Lunch - Due to scheduling, the hot lunch for Friday, April 27 is now moved to Friday, April 20.

Academy Choir – sings for both services. All choristers should be present and ready to sing at **7:10am**.

Preschool & Kindergarten Korner! – Two great trips this week! Watch your email for some pictures and your mail for a letter. Next week we begin Child of the Week celebrations. Next week is Jacob Bender and Carl Vogt!
