Are You Coming? Our annual Lutheran classical education conference for you, our teachers, and members of the congregation is tonight, Friday and tomorrow, Saturday! Childcare is available. There is a light meal provided both days. This year’s speaker is Mrs. Erika Mildred, who is from CCLE (Consortium of Classical Lutheran Education). St. Michael and All Angels’ Lutheran Classical Education Conference is Friday, **September 27, 5:30pm.** and **Saturday, September 28, 8:00am.**

Smile! You’re On Camera! Friday, October 11, is Academy Picture Day! Mrs. Kim Rossing will be taking pictures again this year. Attached to this Ac’Cents are the order forms. Each student must have an order form filled out, but you may pay with one check. This is an uniform event so kindergarten through eighth grade must be wearing their uniforms that day. All students whether you order pictures or not will have their picture taken for use in the Yearbook.

It’s Simply Beautiful! On Sunday you will see this year’s quilt for our annual Quilt Raffle. It is for a full sized bed and will be displayed in the Church narthex. Also, with today’s Ac’cents each family will receive 25 raffle tickets to sell. When selling the tickets please retain the stub so they can be placed in the box for the drawing on Sunday, November 10. Money and stubs may be handed into the office any time before November 10. The Academy is grateful for the beautiful quilt, the handiwork of Cathy Drahos, a member of our congregation.

Primary Posts (aka Preschool and Kindergarten News) – Parents, please read the attached letter about our pumpkin patch trip for preschool-2nd grade. If you’re interested in driving, please let Mrs. McMiller or Mrs. Gehlbach know. Thank you!

Join the Club!! - After every Church service, the Academy sells Scrip to members of the congregation to purchase. It is also available in the office during each weekday the Academy is in session. The businesses whose cards people purchase give 3-4% or more money back to the Academy. We are looking for parents to sell the Scrip after services. Would you be willing to help out? It's not that time consuming, but the benefit for the Academy is huge. Please see Laurie Vogt who does the scheduling.

Crafters Needed -Christmas Craft and Vendor Fair will be held on Saturday, November 9, 9:00 am until 3:00 pm. Pick up your applications at the SCRIP counter in the Church Narthex.
