WELCOME BACK TO SCHOOL!

Congratulations to everyone for completing the first week of school!

Parents, please make sure to make your child's teacher aware of any issues that you observe during homework time. The sooner the faculty is alerted, the sooner they can make the changes necessary to improve the situation.

All of the contact information for every faculty member can be found in the *Parents' Handbook*, and teachers are in the classrooms before and after school.

Remember, your child has not been in the classroom for several months and it will take time for everyone to re-adjust to the routines.

CHOIR NEWS

Please remember to review the Choir schedule that went home in the packets you received at the Opening Lunch (or on the first day of school). The Academy choirs will begin singing approximately one Sunday a month beginning in September.

A reminder of choir Sundays will appear in the *Accents* on the Friday immediately prior to the scheduled Sunday. The choir days will also appear on the monthly calendar that will go home with the first *Accents* of each month.

Milk Program

The first week of our new milk program has been a resounding success. The participants have sometimes found that twelve ounces is more than they need during lunch, but they simply write their names on the bottles and save them for after school or the next day.

We have a standing order with Oberweis Dairy for weekly delivery but are able to amend that order if necessary. If, at any time, you would like to enroll your child in the milk program, please contact Laura Ferguson.
