PARENTS, PLEASE HELP:

If you are not driving up to the door to pick up your students after school, we ask that you please park your vehicle on the Academy side of the parking lot so that the faculty dismissing students are able to see you. If you are parking and meeting your student inside the Academy building, you are free to park anywhere.

RECENT HIGHLIGHTS:

Welcome back from quarantine, Anderson family! We are not a family without you.

- Kindergarten students are discovering what their bones look like and what makes them move.
- First and second graders recited a Latin table prayer for the Academy after chapel. This class has been the most industrious with their recitations!
- Third and fourth graders learned about Socrates and philosophy.
- Fifth, sixth, and seventh grade students conducted a redox experiment in which they turned iron acetate into ferrous iron into ferric iron.

2021 PLA SPELLING BEE WINNERS

CONGRATULATIONS to our 2021 spelling bee winners: Olivia Volquardsen, third place, August Christopherson, second place, and Matthias Raffa, first place. Our first ever all Academy Bee was a resounding success. Special thanks to all the parents, grandparents, and siblings who attended and cheered on our students.

SAVE YOUR PENNIES!

For the month of February, we are having a competition to see who can collect the most pennies. There are two jars in Miss Katie Laubenstein's classroom: one for boys and one for girls. Students can place their pennies in the jars before school or during lunch. Other coins and bills can be used to sabotage the other team. For example, if a boy put a quarter into the girls' jar it would cancel 25 of the girls' pennies. All money raised will be donated to a family in need.

HELP SPREAD THE WORD!

Did you know that we are on Facebook? <https://www.facebook.com/peacesussex>

If you have a Facebook account, we encourage you to like and share our page, especially sharing the Fish Fry events. It is extremely helpful not only to have returning customers to the Fish Fry, but to continue to get new customers. This is one of the main fundraisers for the Academy, and your participation and word of mouth are making it very successful.

The January Ignatius Book Club catalog is available online. Similar to the Scholastic Book Club that many of us remember from our school days, the Ignatius Book Club works in cooperation with schools. For every order that is placed using our code, the Academy receives points. Those points can be redeemed by us for books and other educational items. Unlike the Scholastic Book Club, Ignatius Book Club offers classic books and books of faith without any social or political agendas.

OUTDOOR RECESS: WINTER GUIDELINES

Winter is officially here, and a new year means a review of winter recess guidelines.

At PLA, we recognize the value of mid-day recess and time spent outdoors. Therefore, children will be sent outside to play during their recess period, if appropriately attired, unless the wind chill temperature is 0°F or below.

Appropriate winter attire includes snow pants, hats, mittens or gloves, and snow boots. Any student without appropriate winter attire will be kept indoors for the recess period.
