

Week of February 7, 2021

PARENTS, PLEASE HELP:

If you are not driving up to the door to pick up your students after school, we ask that you please park your vehicle on the Academy side of the parking lot so that the faculty dismissing students are able to see you. If you are parking and meeting your student inside the Academy building, you are free to park anywhere.

RECENT HIGHLIGHTS:

- The kindergarten students have been learning about the heart, lungs, liver, stomach, kidneys, and intestines. They had the opportunity to examine an actual heart and liver when Mrs. Bender brought in a deer's heart and liver for them to look at and examine.
- The first and second grade class have been learning about the underground railway.
- The third and fourth graders have learned to sing the Greek alphabet.
- The fifth through seventh grade students are leaning about acids and bases. They used red cabbage juice as

Number 12

VALENTINE'S DAY

We will be exchanging valentines towards the end of the day on **Thursday, February 11**. You are welcome to send valentines either for just your child's class or for the entire school. We have attached a list of student names with this newsletter to assist in addressing valentines.

SAVE YOUR PENNIES!

For the month of February, we are having a competition to see who can collect the most pennies. There are two jars in Miss Katie Laubenstein's classroom: one for boys and one for girls. Students can place their pennies in the jars before school or during lunch. Other coins and bills can be used to sabotage the other team. For example, if a boy put a quarter into the girls' jar it would cancel 25 of the girls' pennies. All money raised will be donated to a family in need.

HELP SPREAD THE WORD!

Did you know that we are on Facebook? <https://www.facebook.com/peacesussex>

If you have a Facebook account, we encourage you to like and share our page, especially sharing the Fish Fry events. It is extremely helpful not only to have returning customers to the Fish Fry, but to continue to get new customers. This is one of the main fundraisers for the Academy, and your participation and word of mouth are making it very successful.

UPCOMING EVENTS

- Feb 11** - Valentine's Day celebrations
- Feb 12** - No School
- Feb 15** - No School
- Feb 16** - Board of Education Meeting
6:30 pm (open to all)
- Feb 17** - Ash Wednesday
- Feb 27** - Christian Anderson's birthday
