

Week of October 31, 2021

RECENT HIGHLIGHTS:

- The Kindergarteners are continuing their study of the Vikings by hearing a child's version of the Beowulf story.
- The First graders are studying marine mammals and did an experiment that showed how blubber helps them stay warm.
- Third and Fourth graders have moved on from Narnia to Paddington Station, where they are beginning adventures with Paddington the Bear.
- Third through seventh graders began a unit in flag football.

Verse:

Romans 10:17

Catechism:

The Apostles' Creed
Third Article

Leaders:

Verse: Katie L.
Second Article - Autumn C.
Meaning Parts 1&2: Benjamin V.

CHOIR NOTES:

The Cherub and Academy Choirs should be ready to warm up at 7:05am for Reformation Day this Sunday, October 31. They may robe after the warm-up. This is a uniform event. Academy Choir members may also wear their medals under their robes if they wish.

Thank you to parent helpers:
1) Christophersons sit with the Cherubs on the pulpit side.
2) Thonis organize singers in the Gerhardt Room and lead them together into the sanctuary.
3) Andersons take attendance.

ALL Cherub parents, please make sure you help your singers with their robes before and after services.

Christmas Program practice continues on Sunday mornings at 9:15am for grades 3-8 in Mrs. Ferguson's room. Grades 5-8 return to Bible Class at 9:30am. 3K-grade 2 classes begin at 9:15am and break for music at 9:30am.

ACADEMIC MAKE-UP:

The loss of instruction time means that the academic year will now need to be extended by one week. Originally scheduled to end on Friday, May 27th, the academic year will now extend through the week of Memorial Day, with the last day of classes falling on Friday, June 3. The schedule for the final week of school is as follows:

- Mon., May 30 - Memorial Day
- Tue., May 31 - End-of-Year Field trip to Madison
- Wed., June 1 - Hymn Sing Convocation Rehearsal(am) Service project(pm)
- Thu., June 2
12:00 - Dismissal
6:00 - Open House
7:00 - Honors Convocation
- Fri., June 3 - Chapel Catechetical Olympics Academy Picnic

ACADEMY STUDENTS AND FISH FRY:

Student volunteers are an integral part of the recent Fish Fry success. However, there can be too much of a good thing, especially since the process requires a specific number of volunteers to run efficiently. If your child would like to be a Fish Fry volunteer, please make arrangements with John Bender in advance.

HOUSEKEEPING ITEMS

A few reminders:

- Please return the field trip driver form as soon as possible.
- Our next field trip is scheduled for Friday, November 5 and we do not have enough drivers as of this printing. The only way we are able to take field trips is with the help of parent drivers.
- If you know in advance that your child will be missing school for a planned trip or appointment, please let their teacher know as soon as possible. It may be possible for the teacher to rearrange classes so that children won't miss as much.
- The weather is beginning to get cooler, and our students will be needing outerwear soon. Please be aware of the temperatures as the teachers will send your children outside wearing whatever you send for them.

SCHOOL PICTURES

School pictures have been rescheduled for Friday, Nov. 12. Picture order forms are available on the Parent Portal of QuickSchools and will be sent home with the newsletter closer to the date. (Parents are not obligated to order pictures.)

ART NOTES

What's Going on in Art?

- Kindergartners are working hard to complete their Color and Shape Collages.
- First graders are completing their pop-art inspired pumpkins.
- Third and fourth graders are designing folk art birds - an imaginative twist on actual birds.
- Fifth, sixth and seventh graders are being challenged to create a montage of several birds in their natural environment. They are basing their work on graphic images and using the skills they've been learning to analyze the images, plan the montage and execute the drawing.

FROM THE CLASSICAL COMMUNITY:

From the Logos Online School:

"The classical philosophy of education uses children's God-given strengths at each stage of growth to help them learn. The result is graduates who know what they believe and why, and can positively impact the community around them."
