SAVE YOUR PENNIES!

On February 1 we began a competition to see who can collect the most pennies. There are two jars in Miss Katie Laubenstein's classroom: one for boys and one for girls. Students can place their pennies in the jars before school or during lunch. Other coins and bills can be used to sabotage the other team. For example, if a boy puts a quarter into the girls' jar it will cancel 25 of the girls' pennies.

All proceeds of the War will be donated to the SOS Center, a South Wisconsin District mission to children in urban Milwaukee.

Happy Birthday!
