RECENT HIGHLIGHTS:

- It has been an exciting week in the kindergarten room as we watched our chicks hatch. We even got to hold the chicks!
- The first graders are having fun studying about and playing games with geometric solids.
- The third and fourth graders created an ersatz plastic using only kitchen ingredients.
- The sixth and seventh graders were unable to find a name for their Russian tortoise after six months. Therefore, Miss Laubenstein has named him Oliver, after her favorite literary character Oliver Twist. Everyone is happy that their reptilian classmate has a name.

END OF THE YEAR

There is only one week of instruction remaining in the 2021-22 academic year. The last week of school, Tuesday, May 31 through Friday, June 3, is dedicated to end-of-year activities.

On Tuesday, May 31 all Academy students will be participating in service activities on campus. We are coordinating with Miss Beth Boeringer so that all students, from kindergarten through seventh grade, will have an opportunity to perform a much-needed service for Peace.

Also on Tuesday, May 31 at 11:15, the students will be participating in an all-Academy hymn sing. Parents are welcome to attend, but the students get to choose the hymns.

The All-Academy field trip to the Milwaukee Public Museum will be Wednesday, June 1. Students will need to bring a fully disposable lunch as we will be spending the day in the Museum. Please watch for more detailed information.

On Thursday, June 2, the Academy will be holding an open house and honors convocation. The students will be in class in the morning only. All students, kindergarten included, will be dismissed at 12:00 pm. Lunch will not be provided.

Students will return by 6:00 pm for an open house and art exhibit that will display some of the best of our students' efforts in both academics and art. This will be followed by a program at 7:00 pm that will combine class presentations and recognition of excellence, culminating in the

annual slide show. This program, which will be held in the Nave, will be open to all families and friends of Peace Lutheran Academy as well as to prospective families and members of the congregation.

Finally, on Friday, June 3, the students will compete in the annual Catechetical Olympics in the morning. They will then go outside for the annual Academy picnic. We are keeping the picnic on campus this year, but the fun, games, and food will be just as delightful as in years past.

More detailed information regarding each event will be forthcoming.

CHOIR NOTES:

Thank you to your singers for a job well-done last Friday. I hope you were blessed and entertained by all their hard work! I was very proud of them!

One last hurrah this Sunday. The Academy Choir should be ready to sing at 7:10 am on the dot. Thank you for a great year. Your support and promptness for our many events has been appreciated very much!

SUMMER HOMEWORK

The first assignment of the summer homework is to read an age-appropriate historical or scientific biography and complete a book report. We

ask that students choose their book and have it approved by their teacher before the end of the academic year. Students may check out biographies from the Kaminski Library and keep them beyond May 28. (Mrs. Ferguson is available to help students locate materials within the Kaminski collection.) If students are unable to find a book from the Kaminski Library, they are free to access their local public libraries. More detailed information and instructions will be included in the summer homework packet, available on June 3. If you have questions, please ask your child's teacher.
