This month's *Pints in the Park* is 5:00-8:00 on Thursday, June 22. June's food trucks are Filipino, barbecue, grilled cheese, ice cream, and of course the beer truck. *Pints* is fun, but the catch could be that it's often so popular that the food trucks run out before the end of the evening. So if *Pints* is your dinner plan, don't dawdle after the Service.
