### **Meditation on the Bible Story**

In the feeding of the 4,000, Jesus demonstrates His compassion for people in the most basic of human needs—the need for daily bread. He is the only One who can satisfy this multitude in the wilderness, because He is both their Creator and their Savior. As Jesus showed Himself to be the promised Messiah for the Jews in the feeding of the 5,000, so He shows Himself to be the Savior and the One who provides for all people in the feeding of the 4,000. Jesus' compassion means that His heart breaks open in love for us. He understands our needs. He cares about us and has sympathy for us. We learn in the feeding of the 4,000 that Jesus is not only the Bread of Life, as He taught after the feeding of the 5,000, but that He is also the one who provides us with daily bread for our bodies. In this miracle we see an illustration of the Fourth Petition of the Lord's Prayer. "God certainly gives daily bread to everyone without our prayers, even to all evil people, but we pray in this petition that God would lead us to realize this and to receive our daily bread with thanksgiving" (Small Catechism). Jesus calls us to trust in Him for everything. He who died upon the cross to save the whole world from sin and death will also provide us with everything that we need to support us in this body and life. As the multitude had plenty to eat and were satisfied in the wilderness, so the Lord will satisfy all our needs according to His good and gracious will.

### **Prayer on the Bible Story**

O Lord Jesus, as You had compassion on the multitude and provided food to nourish their bodies, have compassion on us and provide us with everything that we need to support us in this life. Teach us to trust in You for daily bread and to never be afraid that You will not take care of us; in Your holy name we pray. Amen.
